My images are enclosed in the following format (digital images are preferred):

- Digital images (saved to a CD or DVD)
- 35mm slides

When sending digital images, please follow these specifications carefully:

- jpg format (extensions: .jpg, .jpeg, .jpe)
- no larger than 640 x 480 pixels
- resolution set at 72 dpi

You should send a minimum of 5 images but no more than 10.

Note: If you would like your materials returned, you must enclose a self-addressed, stamped envelope (SASE) with adequate postage. Materials without SASE will not be returned.

Instructions:

Enter information about each of your slides or digital images beginning on page 3. If you are sending slides, please make sure they are numbered. Digital image files should be logically named so that it is easy to match images with the corresponding information (example: Smith_1.jpg, Smith_2.jpg, etc.).

This information will be used to present your work to the jury of the Portalwisconsin.org online gallery and will appear on the Web site if your work is selected. Please do not send additional materials, since they will not be forwarded to the jury.

When filling in information about medium categories and subcategories for your artwork, **please use the chart on the following page**. You may choose more than one category or subcategory for a particular piece when necessary. Note that not all categories have subcategories. **Please type or print legibly.**
